First draw the buildings on half of the page and colour them in with textas. Then spray water on the blank half of the page and fold the page in half and press down gently. Then peel it back and there's the picture.

# Chappy Chat

Hey Y'all

I want to say a massive thank you to everyone that helps support the Breakfast Club at Nobby! This amazing program would not be possible without the support of Rudd's Pub, BP Eton Vale, Food Works in Clifton, and Steel Rudd's Service Station.

This Saturday I will be at the Nobby Movies in the Park night which starts at 6pm. If anyone is available to help with setting up a stall to sell drinks and popcorn please let me know. This is going to be a great community event.

Also, coming up on Friday December 4th we will be having a 'Hat Day' for Mental Health Awareness. Students are asked to bring a gold coin donation, and wear a hat and free dress. All funds raised go to Australian Rotary Health into research surrounding mental health.

Sincerely  
Chappy Matt

The gift given to us (teachers) on parade last week for World Teachers' Day was overwhelming. You have all shown such generosity. Thank you for the support you give us daily as we work together to teach your children. It is such a privilege and joy to share their formative learning years. A most sincere and heartfelt thank you to everyone.

## Junior Room Art Project—Katie Field

We had to paint the whole, entire sheet white first. Then we painted black over the white. We did swirls with a paintbrush over the black. Then we painted some umbrellas. After the paint had dried we stuck on the umbrellas and put sticks on the umbrellas with black felts.

## Remembrance Day

We wear a poppy on Remembrance Day.

And at eleven we stand and pray.

Wreaths are put upon a grave.

As we remember our soldiers brave.

## Junior Room News

We have started to travel the world in geography- ask your child which countries we have gone to. We are planning to go to at least one country in every continent. How can you help? Look up places of interest in the world on google and go to images for a quick tour. A great way to share and chat and learn together - and not just using a book.

Children will be doing lots of testing in the next 2 weeks to gain evidence of what they can do. I look forward to sharing this with you at interviews in the last week.

Lots to happen in the last 4 weeks of school. Please help your little ones to keep up with it all:- learning, completing work books, testing, swimming, concert practice, playing and finishing off/tidying up!

I really like to make sure all of our equipment is washed/cleaned and stored ready for the new year. Are you able to come in during the last 2 weeks to help us with this enormous task? An hour or two would be greatly appreciated. Just let me know so we can be prepared and make the most of your time.
