- The Peasant Prince Empire Theatre Excursion Permission Form

Small Schools Athletics Carnival

Tomorrow's Small Schools Athletics Carnival has been **CANCELLED** due to the wet and impending bad weather.

Please send your child/children to school for a normal end of term Friday! (This includes instrumental music lessons.)

Goodbye and Good Luck Mrs Joppich

The role that Deena has played in the office has been immense. Her dedication to her job and the quality of her work does not go unnoticed. We are certainly going to miss her, but hope that her future is bright and happy!!

Have a Great Holiday

School staff would like to thank you all for your support throughout the first semester. We are looking forward to coming back after relaxing over the holidays, and starting the learning journey again.

Thank you also for coming along to your child's interview.

Have a great holiday everyone!

A&B Rewards

Our A&B Rewards day was altered slightly today due to the wet weather, but that didn't dull their spirits. They have had a day of technology, board games and movies. Thanks to Chappy Matt and our year 5 and 6 students for organising the rewards session. Congratulations to all of the students

who have received an A or B for behaviour, and to all of those students whose behaviour has improved. Keep doing your best!!

The Peasant Prince Excursion

Our whole school excursion to the Empire Theatre in Toowoomba to see the stage production of The Peasant Prince is on Friday 15th July (WEEK 1). The P&C have again heavily subsidised the cost of this excursion making the price \$12.00 per child.

Please return the attached permission form and payment by Wednesday 13th July.

School Arrival Time

The time prior to 8:30am is extremely precious to all staff; to meet, discuss and prepare for the day.

Unfortunately, we are having more and more students arriving at school before 8:30am, which is impacting on the ability of our teachers to properly prepare for the day.

Having students arrive before then also means increased supervision, meaning more money spent on staff.

The truth is that we want to spend funding on learning, and not supervising, as much as possible.

Students arriving before 8:30am must sit on the veranda outside the office until 8:30am (i.e. they are NOT permitted to enter the classroom until 8:30am).

Thank you for your cooperation.

P156 Class

Term 2 is done!!!!

Our classroom, and early years literacy program in particular, operates because we have a rigorous program that is implemented 3 or 4 days a week. This could not happen without the ongoing and dedicated support of our volunteers. So to Mrs Kiepe, Ms Patricia and Mrs Barton a huge shout out—**THANK YOU!!!!** - for your work at school. It **DOES** make a difference! We also have Grandma Stacey who has been coming in every Tuesday afternoon, being involved in a maths rotation program. Again, having you here makes what we can offer a wonderful advantage to our students.

History follow-up for year 5 & 6.

Are you looking for something to do over the holiday break? The children have been studying secondary settlements - our settlement around here and Brisbane. Places that might be good fun to visit if you haven't been there and looking for some ideas—Royal Bulls Head Inn at Drayton, Glengallon Homestead near Allora. A little farther afield- St Helena Island in Brisbane. Also worthy of a visit are Pioneer Park at Highfields (check opening times) and our own amazing museum in Clifton of course! Do some family research and find your own amazing stories to share.

Peasant

Prince

Workshops

Darling Downs Reader's Cup

Congratulations to our 5 Reader's Cup competitors—Tom, Denzel, Scarlet, Jess and Ruby. Our team tied for 4th place with 4 other teams (they were only 2 points away from 2nd!!). They did a magnificent job of reading and studying the details of their books. Think of it like this- to do well, they basically had to MEMORISE a novel!! Quite amazing really.

Care for self
we went to Amaroo
and we built a tent
and we had to build
a tent in some groups
and we saw a possum
person put someone's
apple core and the
possum crawled out of
its hole.

Yesterday we
went on a bus
to Amaroo.
We built
a ganja and
went on a
walking path.
and saw a
possum in a tree.

Yesterday we went to Amaroo on a bus. When we got there we made with some tents with our group. We had to make a tent with 4 poles, 2 pieces of tarp and string. The first thing we did was put the tarp on the grass. Next we put pegs in the ground to make sure the tarp didn't blow away. Then we went to a big yard and we made gunyas and we made the gunyas out of bark. Then we went to do four rotations. They were making fire, ochre painting, crushing sorghum to make flour and digging for yams. When I tried to make fire I got some smoke. We had to grind the rocks to make ochre which we put on our faces. We had to...
