## **Investing for Success**

# **Under this agreement for 2019 Nobby State School will receive**

\$20 618\*

### This funding will be used to

- 100% of year 3 and 5 students will achieve at or above the National Minimum Standard (NMS) in NAPLAN reading.
- 100% of students (excluding those on an individual curriculum plan) will achieve the mid and end
  of year reading benchmarks.
- Improve Mean Scale Score (MSS) gain from Years 3-5 in NAPLAN spelling and numeracy (10 year relative gain NAPLAN).
- 100% of Year 5 students will improve on their year 3 NAPLAN writing result (measured in bands).

#### Our initiatives include

- Ability based reading groups 3 times per week
- Early start
- Minilit for year 1 students who don't meet end of year Prep reading benchmark (response to intervention)
- 4 times per week 1.5 hour mathematics sessions in all classrooms

#### Our school will improve student outcomes by

- Provide additional teacher to create the third classroom at a cost of \$48000 (\$10818 from I4S)
- Stream students according to reading ability into reading groups.
- Use data to place students into reading and spelling groups so that all students are challenged to make progress in these areas- release time to allow principal to collate and analyse student learning data (\$4450)
- Utilise expert local support to write detailed individual curriculum plans for identified students (\$900)
- Analyse all students using a variety of measures (PM, IPI, NAPLAN, Pat R) to ensure all students are working towards improvement
- Principal release time to plan useful capability and professional development for all teaching staff that will see all students succeed and progress in identified areas (\$4450)
