

# Investing for Success

**Under this agreement for 2022  
Nobby State School will receive**

**\$18 041\***

## This funding will be used to

- Improve student reading attainment from 80% of students at or above the benchmark to 85% at or above the reading benchmark
- Ensure all Prep students are reading at level 3 or above by the end of 2022
- Ensure all students make 12 months reading progress against reading benchmarks
- \* For students greater than 1.5 years below the benchmark, goal is for greater than 12 months reading growth in 12 months.

## Our initiatives include

- Implement York Assessment of Reading for Comprehension (YARC) to determine reading and comprehension strengths and weaknesses of all students in years 1-6
- Implement Heggerty phonemic awareness program to all students in years Prep-2

## Our school will improve student outcomes by

- Providing phonemic lessons using the Heggerty program to all students in years Prep - year 2 four days per week using teachers and teacher aides as required
- Provide YARC assessment for all students reading either at or below the reading benchmark at the end of 2021 to determine current need for reading improvement - 50 hours per year (\$1933.50)
- Provide reading intervention based on YARC results, through SLP and teacher aides using Multlit Reading Tutor Program and ARK reading intervention as required (SLP increase to 0.1FTE + 100 teacher aide hours per year @ 2.5 hours/ week (\$16107.50).
